

The **MOTOROKR S9-HD** gives you all the great features that made the **MOTOROKR S9** a sensation — and then some. The **ROKR S9-HD** Wireless High Definition Stereo Headphones delivers the complete music experience with high definition surround sound and noise-isolating ear buds. The lightweight, behind-the-head wearing style makes it stable and comfortable. Plus you can take hands-free calls from any compatible Bluetooth® enabled phone.

**Set yourself free**

No wires means no tangles. Plus the unique behind-the-head design gives you a stable fit while active.

**Get it all**  
Wirelessly connect to any compatible stereo Bluetooth enabled phone or use an adapter to connect to any iPod® or compatible MP3 player. Music mutes when a call comes in and resumes when you hang up. Even your calls are in stereo.

**Music like it's meant to be**  
Enjoy your music with high-definition audio, powerful surround sound from SRS WOW HD™ and enhanced bass.

Now wirelessly stream music from any compatible Bluetooth stereo capable device - including iPhone® 3G, 3G S and iPod touch® 2G with Apple's® 3.0 software. Plus, you can use the D670 Bluetooth Adapter (sold separately) to control the advanced functions all wirelessly from your S9-HD.
